Tidings from the West

I would like to start off by congratulating all the Officers and members on a successful year. I think we have got a lot accomplished this year with renovations and we owe a big part of that to our Brothers who merged from Mechanicsburg. If you have not been to New Castle since the update in the Lodge room I would encourage you to visit, it is Beautiful!

As we look to wrap up this year, it has been a pleasure to serve with the other Officers and I look forward to the growth and development that New Castle Lodge has in its future with our up & incoming officers. Going into next year I would like to put our focus back to the Ritual. I would like to have practice nights where we can work on learning the ritual, the red rubrics, the proper floor work and just basic mechanics of each role.

We will also try to get back to some of our community based events. I feel it is very important for us to be involved in the community. For some children, the free to the public events, such as the ones we host at New Castle, may be the only option their parents have in a time when they are struggling. It is a positive reflection of what we stand for as Masons.

I know going into next year we will have a wonderful year and I know that with our dedication of our officers, New Castle Lodge will continue to be a successful Lodge! I look forward to laboring with you all!

Sincerely and Fraternally, Jason Fox S.W.

Brethren, Greetings from the South:

As my year serving you as your Junior Warden for 2021 draws to completion. I thank you for the opportunity and honor you bestowed on me by electing me to serve you this year. Although the pandemic has had an impact on the Fraternity and how we conduct our programs. I commend the brothers on the ability you have exhibited to adapt and overcome

what initially might have been considered obstacles that were turned in to opportunities. As conditions continue to improve and the opportunity to resume the social activities, we were so accustomed to and perhaps took for granted. I look forward to serving you for the remainder of my term as Junior Warden.

Fraternally yours, Darrell W. Fox J.W.

GREETINGS FROM THE TRUSTEES

Fall is beginning to paint the landscape in the beautiful colors we enjoy each year at this time. This is my favorite time of year and I hope each of you are enjoying the cooler weather.

We encourage each brother to visit Your Lodge to observe the remodeling that has occurred over the past couple of years. New Castle Lodge #91 is lucky to be financially stable and that has enabled us to repair the parking lot and install a beautiful new electronic sign. We also have new lighting in the dining room and new tile floors in the restrooms. The dry-wall has been repaired and the Lodge room has a beautiful new paint job, with blue in the East and light blue walls in north, south and west. A new oven has been installed in the kitchen and we will soon be installing a new back-splash.

The old seating in the Lodge room has been replaced with new comfortable padded blue chairs. Please plan to attend a meeting on the First Monday of each month at 7 pm and check out the new decor. We enjoy a dinner prior to each meeting at 6 pm if you wish to join us for fellowship.

We are truly fortunate to have one of the strongest Lodges I n the area.
