## Greetings from the East

I would like to take this opportunity to thank all the brothers of New Castle Lodge #91 for allowing me to serve as your Worshipful Master for 2023. I look forward to working with you as always, and thank you for all you do for the Fraternity.

I am excited about reimplementing some of

the social functions this year that we have had to postpone in the past due to covid restrictions i.e., Child Identification Program, Breakfast with the Easter Bunny and Breakfast with Santa Clause 2023. I would also like to schedule another trip to Madison, Indiana to visit Schofield House and a day visiting downtown Madison. Another thought I had would be to set up a trip to visit the Grand Lodge Library and Museum in Indianapolis.

I would also like your input on setting up and conducting a Community Open House at the Lodge this year. A committee has already been established for this. But your input on that will help make this a success is greatly valued. If there is anything you have in mind, please let us know. Also, if there are additional activities that you would like to see us do/accomplish for 2023 your thoughts and input is extremely important and valued.

I am also excited to announce that our 2023 Lodge Beautification project this year is the installation of a 10' x 10' Mosaic Pavement with a tessellated border at the altar. We are truly blessed with the beautiful lodge that we have, and it gets better as we go along.

Another thing I need your input on are ideas for improving attendance by our members at our Stated Meetings and Degree work. What can we do as a fraternity to not only get our new members active and involved but also rekindle the desire of members that haven't attended lodge in a while to return.

**Fraternally yours, Darrell W. Fox, W.M.**

### From the West, David Mitchell, SW

I am greatly honored to be called upon to serve as Senior Warden of New Castle Lodge in 2023 and equally honored to serve alongside our other officers. New Castle Lodge is on track for a benchmark year, and I predict we will see great success as a lodge, as well as among ourselves individually.

I hope to see as many of you as possible in the coming months, either at lodge or at any of the public engagements we have planned!

### From Jason Fox, JW

I would like to start off by congratulating all the Officers on their elections and appointments. I know, with no doubt, under W.M. Darrell Fox's leadership, and the memberships dedication, we will have another outstanding year.

I would like to again thank you all for your confidence in electing me to serve as J.W. and I will do my best to help our Lodge grow and be successful. I look forward to working with all the newly elected and appointed officers. I will continue to help our new officers learn their roles so they can fulfill them to the best of their ability.

I look forward to laboring with you all. I hope, if you have not been able to attend the Lodge for stated meetings, that you will do your best to come out and support our Lodge at one of its several functions. Thanks again for your confidence and support.
